

Number of Entries and Departures at Narita and Haneda Airports Before and After the Great East Japan Earthquake

Note: Data of Narita Airport show year-to-year proportions of the number of people who entered and departed Japan between March 11th and April 18th 2011. Data for Haneda Airport shows the percentage of entries and departures from March 11th to April 18th, 2011 compared to the one from March 1st to March 10th, 2011. The mean number of entries and departures per day is compared.

Note: The original data of this figure is provided by the Ministry of Land, Infrastructure, Transport and Tourism (MLIT).
 Resource: The revised title is based on the MLIT "WHITE PAPER ON LAND, INFRASTRUCTURE AND TRANSPORT IN JAPAN, 2010"
